# Akshay Sadaphal

## Software Engineer

with 2.5 years of experience in software development with real-time exposure to Angular 7/15/17/18, JavaScript, TypeScript, HTML5, CSS3, and SQL Server. I have knowledge of HTML5, CSS3, responsive design, and Bootstrap. I am a quick learner with the ability to meet tight deadlines. I can work independently with little supervision, interact positively with management, and work well under pressure. I am a self-starter and have the ability to adapt to new technologies..
